AN ECONOMICAL, ALL-IN-ONE BUSINESS PRINTER WITH ADF AND DUPLEX CAPABILITIES

The multi-function Epson EcoTank L6270 delivers borderless prints in sizes up to A4 at a high speed. Equipped with an integrated ink tank, this printer has a small footprint for space savings in any office. It prints at just 12 Paise (black) and 20 Paise (colour) for true cost savings. The affordable ink bottles, complete with designated nozzles, ensure spill-free refilling. A high print yield of up to 7,500 pages (black) and 6,000 pages (colour) ensures uninterrupted printing. The auto-duplex function helps print on both sides of the paper, further reducing the printing expenses. WiFi Direct and Epson Connect features enable effortless wireless printing. You can also download the Epson Smart Panel app to your mobile devices, making it an intuitive control centre to easily set up, monitor and operate the printer functions.

UP TO 15.5 IPM — Print Speed (Black)

7,500 — Ultra-High Page Yield (Black)

Duplex Printing

DIRECT — WiFi Direct

PRECISIONCORE HEAT·FREE

India's No.1 INKJET PRINTER

Superior Savings with Auto-Duplex
Enjoy greater savings and higher page yields with auto-duplex function, saving up to 50% on paper cost.

Speed, Quality and Reliability
Epson PrecisionCore printhead produces faster print speed, quality and reliability. Pigment black ink delivers water and smudge-resistant printouts.

Epson Smart Panel
Download the Epson Smart Panel app to mobile devices for direct access to functions such as print, scan and copy while monitoring the printer's operation.

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

#1 Black Text   #2 Colour   #3 Photo 4R

*2 When printed on Epson Premium Glossy Photo Paper.

*3 Otherwise 3mm top, left, right, bottom.

*4 Default mode in accordance with ISO7779 for MFPs.

*5 Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing.
